TOWN OF ATKINSON

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town affairs :

You are hereby notified to meet at Grange Hall in said Atkinson on Tuesday, the 8th day of March, next at one o'clock in the afternoon and close not earlier than seven P. M.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To raise and appropriate the sum of \$600.00 (six hundred dollars) for rent of the Grange Hall for use of Town and School purposes, also for community, recreational and educational meetings to be held under the following conditions for the ensuing year: (a) no meeting to be over 4 hours duration; (b) meetings not to exceed 3 per month, except under special circumstances; (c) paid entertainment sponsored by the aforesaid groups to be charged for at the rate of \$6.50 (six dollars and fifty cents) per meeting to be paid for by the groups, to the Atkinson Grange Hall Committee; (d) all arrangements for meetings to be approved by the Selectmen and the Hall Janitor; (e) the meetings to be properly chaperoned.

4. To raise and appropriate the sum of \$150.00 (one hundred and fifty dollars) to renew fire and liability insurance on the Academy Building.

5. To raise and appropriate the sum of \$1,000.00 (one thousand dollars) to pay Note No. 1 on Fire Truck.

6. To raise and appropriate the sum of \$150.28 (one hundred fifty dollars and twenty-eight cents) to pay premium on fire insurance policy on Library and equipment.

7. To raise and appropriate the sum of \$39.20 (thirty-nine dollars and twenty cents) to pay premium on extended coverage insurance policy on Library and equipment.

8. To see if the Town will vote to request the State Tax Commission to re-appraise improved lands and buildings in order to equalize assessments thereof on a proportionate basis, and to raise and appropriate the sum of \$1,500.00 (one thousand five hundred dollars) for this purpose.

9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of Taxes.

10. To see if the Town will vote to raise and appropriate the sum of \$300.00 (three hundred dollars) to cut brush.

11. To see if the Town will vote to authorize the Selectmen to distribute blank inventories at the time they examine and appraise the property to be taxed.

12. To raise and appropriate the sum of \$500.00 (five hundred dollars) which includes the amount required by law for the Kimball Public Library.

13. To see if the Town will vote to raise and appropriate a sum not to exceed \$7,000.00 (seven thousand dollars) for the purpose of making improvements to the following Class V roads within the Town. Providence Hill Road from tar road at Radulski's to Salem line and gravel Sawyer Ave. from Route 121 to end of construction of Meditation Lane. Such sums to be raised through issuance of bonds or notes under and in compliance with the provisions of Chapter 83, Laws of 1951, as amended by Chapter 31, Laws of 1953, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town.

14. To see if the Town will vote to raise and appropriate the sum of \$181.47 (one hundred eighty-one dollars and forty-seven cents) in order to receive \$1,209.78 (one thousand two hundred nine dollars and seventy-eight cents) for Town Road Aid.

15. To see if the voters will pass on a law to prohibit any elected official doing other work as a contractor for the Town without proper authority.

16. To see if the voters of Atkinson want an equal tax assessment for all property owners even if it means having the property in the Town reassessed by the State Assessors.

17. To see if the voters of the Town will undo the injustice done to an illustrious native of the Town and change the name of Meditation Lane back to Dow Avenue in honor of the only Townsman to win the Congressional Medal of Honor for gallantry.

18. To see if the Town will grant permission to the Atkinson Garden Club to remove, at the expense of the Club, the Maple Tree located near the center of the Town Common at the junction of Main Street and Academy Avenue. The purpose of removal to be to facilitate a plan for beautification of the Common.

19. To see if the Town will vote to have the Town posted so that nobody shall be entitled to hunt within the Town without permission of the property owners.

20. If the above article is adopted to see if the Town will raise and appropriate the sum of \$200.00 (two hundred dollars) to purchase 14 (fourteen) posts and signs to be erected at all Town lines.

21. To see if the Town will vote to instruct the Town Treasurer not to pay salaries in advance.

(By request of the Auditors)

22. To see if the Town will vote to raise and appropriate the sum of \$500.00 (five hundred dollars) to be used for the improvement of the interior of the Academy Building. The money

to be expended under the supervision of a committee appointed by the Board of Selectmen.

23. To see what action the voters of the Town wish to take in authorizing the Selectmen to have printed in the Annual Reports of the Town all articles of the warrants for the three (3) preceding years.

24. To hear reports of Town Officers and Committees, act on same and transact any other business that may legally come before the meeting.

Business meeting will be adjourned until Saturday evening, March 12th, 1955 at 8 o'clock P. M.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and fifty-five.

GEORGE W. WHITE,
ERNEST R. SCOTT,
WARREN E. KOLB,

Selectmen of Atkinson.

A true copy of Warrant—Attest:

REPORT OF FIRE ENGINEERS

During the year 1954 the Fire Department answered ten fire calls. Seven of these were for grass and brush fires; one chimney fire and two out of town fires.

Four hundred and fifty feet of new hose and a new two and one-half inch nozzle for use on the new truck was purchased.

The new fire truck arrived on October 27, 1954, and after schooling of the pump by the manufacturer, it was put into commission. A demonstration will be given at a future date so that the townspeople may see the new truck in operation.

The Board of Engineers and I wish to thank the townspeople for their interest and cooperation during the year 1954.

Respectfully submitted,

WILBUR R. MOODY,

Chief of the Board of Engineers.

REPORT OF POLICE DEPARTMENT

During the year 1954 the Police Department received sixty-three complaints of various descriptions.

Motor vehicle violations were prosecuted in Plaistow Municipal Court.

I would like to thank the parents at this time for their cooperation at Hallowe'en.

The juvenile record for the year 1954 showed an increase over the previous year.

Respectfully submitted,

WILBUR R. MOODY,

Chief.

REPORT OF THE TRUSTEES OF THE KIMBALL PUBLIC LIBRARY

The Trustees and Librarian met soon after Town Meeting to organize and plan our program according to State Standards.

We have been in close touch with the State Library and appreciate their cooperation. Our duties consist of taking care of current needs of the Library and building as well as planning ahead. We feel that we have done both.

As our project we tried to improve the children's corner and purchased many fine books. The State recognized our efforts and aided us with a grant of children's and reference books.

Through the generosity of the 1953 Fair Committee the World Book Encyclopedia was purchased last Fall and should be most helpful. We had a fine collection of Town Reports from 1860 through 1953 so had them bound to preserve them.

For many years the Trustees have wanted to have adequate heating in the building. Last Fall we were able to obtain a furnace with the help of Mr. and Mrs. Reynolds and it has been installed. It is just one more step to make our Library more comfortable and therefore more useful.

Our Historical room has been re-decorated and we hope to furnish it soon. At that time we would welcome any exhibits of historical interest. With the restoration of the Academy and the formation of a local Historical Society we may find many items that could be displayed publicly.

The Trustees thought it advisable to be a part of the Community Fair and also assisted in the sale of old books.

As new books are so expensive we find the Bookmobile and the Service the State Library gives us to be most helpful.

We had some hurricane damage, fortunately of a minor nature. It could have been serious, but the large tree endangering the building was removed just prior to the storm. A drainage

problem in the cellar had to be taken care of and may need further attention to correct it entirely.

In the future we hope to continue to carry out some of our plans to improve the Library facilities. We are ready at all times to consider any suggestions that interested townspeople may have to improve their Library.

The Trustees feel that our Town is fortunate to retain a person as capable and experienced as our Librarian. We do appreciate what both Mr. and Mrs. Reynolds have done to maintain our Library so that it compares well, to the size of our Town, with any in the State.

Respectfully submitted,

MARJORIE P. BARNUM, *Chairman*
ANITA HAMILTON, *Treasurer*

LIBRARIAN'S REPORT

To the Trustees of the Kimball Public Library:

The upward trend of circulation is still continuing in our Library and has been very gratifying this year. Through the co-operation of the State Library and Bookmobile, we have as usual been able to obtain supplemental reading for the Elementary and High School students as well as special requests for our readers.

Last year our bookshelves were somewhat depleted because of old and useless materials, however, the State Library has found it possible to give us aid in replacing non-fiction and children's books. Our greatest aim this year it to continue developing the "children's corner" and to make it more attractive and appealing to the young reader.

I wish to express my sincere appreciation to those who have generously contributed books and magazines during the year. These gifts have in no small way helped to stimulate interest in the Library and thereby bring the circulation up to 3,112.

We have purchased a set of the World Book Encyclopedias and 204 other new books this year.

The Library is opened every Tuesday evening, 7 to 9; and Saturday, 2 to 5. We hope that you will visit your Library as often as possible.

I wish to extend my appreciation for the wonderful cooperation the Trustees have given me this year.

Respectfully submitted,

BEATRICE E. REYNOLDS,

Librarian.

REPORT OF THE ATKINSON ACADEMY ALUMNI ASSOCIATION

We are glad to report that we have completed our first Project for the preservation of Atkinson Academy; viz, the raising of the tower to its original position and the re-shingling of the roof. This was accomplished through the earnest cooperation of the alumni and the townspeople. Our total expenditure for these repairs has amounted to \$1,822.77. We are grateful that we were able to do this work for our Alma Mater, and we hope to be of further material help in the near future.

One of our more ambitious money-raising projects is "Open House Day" planned for June 11, 1955, with Mrs. Clarence H. Birdsall as general chairman. Several homes will be opened to visitors. The Alumni Association will serve luncheon on the Academy grounds, and the Garden Club will serve afternoon tea in Mrs. Horace H. James's garden.

With the proceeds from these undertakings, and with official permission, we plan to re-decorate the interior of the Academy Building, and we are pleased that the Atkinson Women's Club has volunteered to help us with this particular project.

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your School Board is operating during 1954-55 and their proposed expenses for the year 1955-56. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

Under Article 6—On motion duly made and seconded, it was VOTED: to approve the annual report of the School Board as printed.

Under Article 8—A motion was duly made and seconded that the school district raise and appropriate \$31,327.93 and authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes. An amendment was duly offered and seconded that each item in the school board's budget be discussed and approved separately. Both the motion and the amendment were voted in the affirmative. Each item in the budget was discussed and approved by vote, and the above total remained unchanged.

Under Article 9—A motion, relative to grants-in-aid, etc., was voted in the affirmative.

At the invitation of the School Board and with the consent of the voters present, Superintendent Osgood made a few remarks relative to education in Atkinson.

10:05 P.M. On motion duly made and seconded, it was VOTED: to adjourn.

Respectfully submitted,

MALCOLM C. NOYES,

Clerk.

REPORT OF SUPERINTENDENT OF SCHOOLS

February 1, 1955

To the School Board and Citizens of Atkinson:

This, my Fifth Annual Report as Superintendent of Schools in Atkinson, deals briefly with the following subjects: Personnel, School Buildings and Enrollment, Curriculum and Teaching Aids, Health, and Finances.

Mr. Yeaton's report includes an account of many of the more detailed activities of the school.

PERSONNEL: The children of Atkinson are fortunate to have the continued excellent leadership of Principal Charles Yeaton, the only teacher who returned to the Rockwell School for the current school year.

To replace Mrs. Alice Scott and Mrs. Helen Dwyer, both of whom accepted positions in Massachusetts, the school board employed Mrs. Pauline Anderson of North Reading, Mass., who attended the Farmington, Maine Teachers College, and Mrs. Frances Libby of South Groveland, Mass., who attended Gorham, Maine Normal School, and had taught Grades 3 and 4 last year in Hampton Falls, N. H.

In order that the 54 children in Grades 5-8 could be divided into smaller groups, Mr. Francis Murray of Winthrop, Mass., was employed as a fourth teacher for the current school year. Mr. Murray, a 1954 graduate of Boston University, had done practice teaching work in the fifth grade in Newton, Mass.

Miss Gwendolyn Curtis continues her excellent work as school nurse in the Atkinson, Hampstead, Newton and Plaistow school districts.

To replace Mrs. Grillo as a Music Supervisor in Atkinson, Hampstead, Plaistow, and Newton, the school boards of these districts employed Kenneth Jewett of Kingston, N. H. Mr. Jew-

ett formerly directed programs in Art and Music in the Hillsboro and Hopkinton, N. H. Supervisory Unions. He attended the New England Conservatory of Music, the Cambridge School of Art, Boston University and the University of New Hampshire.

All of the teachers belong to their local, state, and national professional teachers organizations and exert their best abilities for the benefit of the Atkinson children. All of the teachers are attempting to improve their knowledge of modern teaching procedures, techniques, and philosophies by taking additional college work as time permits. Mr. Yeaton attended the University of New Hampshire 1954 summer session. He has practically completed the Master's Degree requirements. Two of the other teachers are taking a course in the Teaching of Reading in Salem under the auspices of the Keene Teachers College at the present time, and Mr. Murray is currently taking a Saturday course at Boston University.

Mr. Merton Finnimore of Plaistow, who assumed the position as school custodian last September, strives to keep the school building in the best possible condition for the health and welfare of the children.

SCHOOL BUILDING AND ENROLLMENT: Your school board has continued to keep the school building in excellent repair and in order to provide necessary space for a fourth classroom, it was necessary to arrange the kitchen area for classroom purposes. In doing this, the Board installed necessary window shades, a curtain across the corridor to close off the kitchen area, and provided the necessary additional furniture, consisting of a portable chalk board, a teacher's desk, and additional classroom furniture.

After considerable study and consideration of the various aspects of patriotism, appearance, safety and durability, your school board installed a modern sturdy flagpole high on the gable of the Rockwell School, facing Academy Avenue.

The 1954 census of all children in Atkinson from birth to 19 years of age shows an average number of approximately 14 in each pre-school age group. Any appreciable change in total enrollment then, during the next few years, will be caused by people moving into or out of the community.

Transportation of school children is continuing very satisfactorily under the present contract with Robert S. Hotchkiss.

The following tabulation shows the number of high school pupils by grades attending various high schools and the high school tuition rates for the school year 1954-55.

SCHOOLS

Grades	Woodbury High School	Sanborn Seminary	Haverhill Trade School	Haverhill High School

CURRICULUM AND TEACHING AIDS: Natalie Hopkins, our Elementary Consultant, has clearly stated the following comments in regard to tests, individualized instruction, books and special activities:

"The aim of elementary schools today—to make sure that each child develops his capacities to the fullest degree so that he will develop into the best possible citizen of tomorrow—is the objective of our teachers and is being achieved.

"Upon entering the Rockwell School, you will find big, little, fat, thin, serious and playful children. Children are not only different from each other in appearance but they vary greatly in mental ability and learning rate, in subjects which attract their interest and in the effort they will put forth. No single design will fit every child and neither will one teaching program.

"To help the teachers better understand the children and individualize their instruction, achievement tests were given to all children, except first graders in November. Strengths and

weaknesses of the pupils' academic skills in reading, language, arithmetic, science, spelling, geography and history are shown in this type test.

"To further understand the pupil, the mental maturity tests are given. The results of this test helps us to determine whether or not a child is working up to capacity.

"Once this information has been established a program for meeting the needs of each child is developed. It must be understood that our teachers are carrying out this program well with such heavy loads in the classroom.

"New text books are many and varied this year. Greatly needed reading books to supplement the basic readers are finding their way into the hands of the children as finances permit. This, however, does not mean there are sufficient number. It is important to have a variety of books in order to meet the interest and reading levels of all children. It must be understood that there may be in one classroom children who read above or below the actual grade placement from one to five years.

"We do not have as large classroom libraries as is desirable but the Bookmobile from the State Library helps to supplement our offerings.

"Varied activities such as field trips, films and creative activities, are carried on in the classrooms. These activities are not taking the place of drill on the skill subjects but are in addition to drill so that learning may be more meaningful."

HEALTH: (Included in Mr. Yeaton's Report.)

FINANCES: The American Association of School Administrators has stated that "school support in each community is geared quite directly to popular demand and usually will be obtained in adequate measure only when the public has had a legitimate share in formulating the program, determining its cost, and planning the way to finance it. If the public is given the facts, there is little reason to fear any lack of support for good schools, financially or otherwise. But it is the people's choice; they alone will decide."

Present indications of possible action by the 1955 State Legislature point toward the probability of increased state financial assistance for Atkinson in the future.

Again I wish to thank the members of the School Board, the faculty, the Atkinson Parent-Teacher Association and all others who have helped to make our work enjoyable and effective.

Respectfully submitted,

JONATHAN A. OSGOOD,

Superintendent of Schools.

ANNUAL REPORT OF THE PRINCIPAL OF THE ROCKWELL SCHOOL

To the School Board and to Mr. Jonathan A. Osgood, Superintendent of Schools:

I am pleased to have this opportunity to summarize for you another year's progress at Rockwell School in this, my third annual report.

During this year, there have been important changes in the teaching staff and in the class arrangement for the four upper grades. In spite of these changes, the work of the school seems to have continued with somewhat less confusion than might have been expected. The new classroom made from the kitchen area has temporarily at least eased the crowded conditions of the upper four grades. The three new teachers are proving themselves to be cooperative and eager to do their best for the children of Atkinson. We consider the continued growth of each child as a major objective. Through attendance at professional meetings, reading of educational publications, and courses taken at summer school or during the school year, we are constantly attempting to reach a better understanding of the children's needs and abilities and thereby to do our part in the development of worthwhile citizens and happy individuals. To do this we also do not intend to neglect the skills and preparation necessary for further education.

Some of the activities carried out during the last year include the following projects which have become a regular part of our school program.

1. Appropriate school observances of important holidays.
2. Participation in the community Memorial Day exercises.
3. A Christmas Program at the Grange Hall.
4. Contributions to the March of Dimes Drive, the Junior Red Cross, and the Crippled Children's Fund.

5. A pre-school clinic held in the spring for children entering school the following September.

The Rockwell School continues to supplement its library with books brought by the Bookmobile from the State Library. Children select books and teachers also take advantage of the opportunity to obtain materials pertaining to the school program in such areas as social studies and science.

Films on a wide variety of subjects are shown frequently. Particular care is taken in the selection of films to increase understanding of some phase of regular work or to bring the children information concerning health problems or other pertinent topics.

The school health program has again been ably carried on under the supervision of our nurse-teacher, Miss Gwendolyn Curtis. Some of these health services have included:

1. Medical examinations for grades one, three, five, and seven.
2. Vision, hearing and color perception tests.
3. Pre-school immunization clinic.
4. Home visits
5. Health talks

The new music supervisor, Mr. Kenneth Jewett, spends one-half day each week at our school. He carries on a varied music program of instruction in the fundamentals of music reading, music appreciation, dancing and singing for enjoyment. In art the program is also varied with an emphasis on bringing out the creative talents of each child. Many parents had an opportunity to see Mr. Jewett's classes at Parents' Day last November.

Graduation exercises were held for six eighth grade pupils last June. New Hampshire was chosen as the theme for graduation essays. At these exercises Kenneth Mackie was presented the Good Citizenship Medal given by the Sons of the American Revolution. In the essay contest sponsored by the Plaistow American Legion for eighth grade pupils of Atkinson and surrounding towns, Rockwell School pupils won the two top awards. Linda Radulski was awarded the medal while Claire Damphousse won first honorable mention. This was the fourth time in five years that Atkinson pupils have placed first in this contest.

Parent interest and cooperation in the affairs of the school during the last year has been outstanding. Parents' Day, annually held during American Education Week, was well attended. The list of P. T. A. projects is impressive. For the children of the lower grades a slide was purchased for the playground. A program which provides weekly transportation for boys of grades five through eight to the Y. M. C. A. in Haverhill has been instituted. The P. T. A. also pays half of the boys' membership fees. The whole school was taken to Benson's Wild Animal Farm last spring. As in the past, the P. T. A. has also sponsored and assisted in carrying out an immunization clinic for pre-school children and has contributed to the school milk program.

To conclude, may I express my sincere appreciation to all who through their active assistance and constant interest in the affairs of Rockwell School have made the past year an effective and enjoyable one.

Respectfully submitted,

CHARLES B. YEATON,

Principal.
